Fantastic news to hear that the licensing application was turned down today for Goring Gap 🙌

Beccy Cooper for Worthing West
28 March · 🌐

The licensing application for the proposed licence to sell alcohol on a patch of green space along the seafront in Goring Gap has been rejected.

This application had 168 objectors, including a petition. The licensing committee has made the decision to turn down the application.

Throughout this process, local residents have expressed their passion about keeping our green spaces and seafront free from development. This is a designated green space in our Worthing Borough Council Local Plan.

#Worthing Borough is 95% developed and our remaining green spaces are essential for our physical and mental health and the health of our planet 🌍🍃

#lovewhereyoulive 🍀🌱

Can anyone help ? I'm looking to get some of the concrete bollards for the front of our property as delivery drivers keep turning around on our stone driveway or half parking on it!! They drive off with some of the stones going over the road . Thanks in advance 😊
